The club normally has two organised rides each month: on the first and 3rd Sundays. The rides on the 3rd Sunday of the month may change according to the ride destination. Changes from the above will be notified to members via email.

**All Newsletter Submissions
are due to the Editor before
the 25th of each month**

President's Message

February almost over and the weekend away ride is behind us. Thanks to the organisers of this event it was a lot of fun enjoyed by all of us.

March has the usual rides on the first and third Sundays as well as the ladies lunch at Robina and a social night at Currumbin RSL. Make sure you put your name down if attending for booking purposes.

See you all at Hinze Dam next Sunday 5/3/23 8.00 am breakfast

Steve Bryant #318

MAKE LIFE A RIDE

LEARN MORE

Grafton Unofficial Long Weekend

After attracting the damaging floods last year, the good folk of Grafton must have breathed a sigh of relief, when our visit brought only sunshine, blue sky's and mostly cool days, in other words, perfect conditions for 3 days of riding.

Adrian and Cherie had done a brilliant job of organising the event only to not ride with us on the Friday, some lame excuse about riding up from Sydney had them coming in mid-afternoon Friday.

Erik, Petra and Jamie wanted to get a bit dirty and do the off road (see Petra's contribution) and Steve was riding down on Saturday.

That just left Mike, Barry, Leon, Jayne, John, Julie and myself to ride down from Canungra. Lunch was at Boteros in Maclean, this meant jumping on the ferry twice with a nice ride along the Clarence River to the outskirts of Grafton, then across to Seeland via Rogan Bridge.

Terri and Greg got us sorted promptly, then it was time for a beer and nibbles on the deck as we awaited the others.

Terri's signature lamb roast must have been the basis for the lamb ad where a young lady turned down a date with Tom Cruise for a lamb roast at home with her family....it was as always, delicious and the home made sticky date pudding capped off a great dinner.

Saturday had us heading to Dorrigo and lunch at Bellingen, whilst Robyn toured around the local areas in her air conditioned car. What was supposed to be a quick photo opportunity at the old steam train "museum" at Dorrigo soon became a long chat with the curator who had seen us and came down to open up. What he could tell us about the trains and technology was amazing and if it wasn't getting to close to lunch time, I don't know when we would have left as it really was interesting to hear and see clever solutions to what looks like old technology.

I found a winding way to get to the lookout overlooking Coffs Harbour, it didn't involve gravel, but I have driven on smoother gravel and dirt roads than that bit of bitumen.

By the time we got back to Clarence River BnB, the temperature had really risen and many made use of the pool.

Steve had come down via gravel roads and enticed a few of us to go with him Sunday back the same way, I am sure he mentioned it would be fun. Well it was.....mostly. The unmentioned river rocks minefield tested us and Jamie showed how not to dismount a 1200GS, in the process pulling his hip which required Erik to jerk his leg so the hip jointed was released.

Seeing her beau on the ground, Petra decided to make him feel better by also coming off. There is no quicker way to destroy my confidence than watching two experienced riders laying on the ground and knowing I had to go through not only this section but a more challenging section further along. Steve made it look easy, but by that stage my nerves and adrenaline were an issue and I duck paddled the bike through the two sections, the later was done with others holding the side of the bike for support, a strategy we used for all the bikes. Did I mention that Steve had said it was a good ride.

After that, it was a good ride and we eventually got to Kyogle in time for lunch and a beer. Erik and Steve went toward the coast and Jamie, Petra and I went back to Brisbane/Ipswich via Lions Road. All up for me, just under 1200km for the weekend, the location, routes and company were excellent and made for a memorable long weekend, can't wait for the next one.

CORNER MARKING

MANY RIDES WILL UTILISE CORNER MARKING.

- The Ride Leader will indicate, by pointing, a safe location where he/she would like the rider directly behind him/her to mark a corner.
- The corner marker should stop in a safe place that is visible to following riders, indicate with the turn signal to following riders the route and remain in position until Tail End Charlie indicates to re-join the ride. Re-join the ride safely.
- If there are inexperienced riders the corner marker may need to wait for a while but remember other riders' enjoyment is dependent on your effort.
- Corner marking is utilised to allow a ride to progress in an orderly and systematic way regardless of factors that could cause a disrupted ride.
- Some of these factors include the following.
- A wide range of rider experience that would cause frustration to more experienced riders by frequently stopping to allow slower riders to catch up.
- Traffic conditions, e.g. frequent traffic lights, or congestion, that cause the ride to break up into groups that lose touch with one another.
- Some riders who just want to "amble" along having a leisurely ride while others go ahead.
- More often than not, especially on mid-week rides, the ride leader will decide that ride members have similar experience and ability and so corner marking can be dispensed with. This means that the ride leader needs to be able to see following riders in his/her mirrors and may prevent the ride breaking up by introducing occasional stops.

THE RIDE GUIDE

Our branch rides are all about the journey and sharing experiences and fellowship with branch riders and visitors. We should be aware of the varying experience of riders on the day and make allowances for that. In appreciation of the range of bikes and the range of rider experience we ask that each rider to do the following.

- Arrive with a full tank of fuel and an empty bladder.
- Complete the Ride Register, it is for your own safety
- Listen to the briefing by the Ride Leader.
- Know who Tail End Charlie is and what bike they are riding.
- Keep a safe distance at all times - the 3 second rule is a good guide.
- Ride responsibly, obey road rules and ride at the pace that matches your own ability and skill level.
- Do not pass the Ride Leader unless the ride leader has indicated that this is acceptable. If you do pass without approval you are on your own.
- Overtake only in a different lane.
- if you leave the ride notify the Tail End Charlie and/or The Ride Leader (preferably both); and

If a visitor or new member make sure that the Ride Leader and Tail End Charlie are aware of the bike you are riding and your riding experience and ability.

100 YEARS of BMW Motorcycles

Concours - Saturday 23rd September 2023

This event will be run by the BMWMCQ at the central location of **Reddacliff Place** in Brisbane. We are looking for suitable bikes from all years and all models to display at this special event to celebrate this enormous achievement of the BMW brand that we all love to ride.

Do you have a bike that is suitable? If it is an older BMW (60's or earlier) and it is completely assembled, presentable, registered or not, we want to hear from you.

If your BMW bike is from the '70's up to latest models and is in good visual condition, special or a rare model, we want to hear from you as well.

We have a target of one hundred bikes, to display an example of as many different models as possible. A selection process will be undertaken from the applications and consideration will be given to bikes that fit the above criteria as well as bikes with high kilometres or extraordinary travel achievements.

To nominate your bike, send the following details to bmw100@bmwmcq.org.au

What Model it is.

Year of Manufacture.

Total Km's Travelled.

Longest Journey Travelled.

A Photo.

*A celebratory dinner will be held on the evening of Thursday 21st September –
more details to follow...*

Poker Run

The Motor Cycle Enthusiast Club Gold Coast will be running a Poker Run on April 1st and would like to invite you and members of your clubs to this event. To assist us with planning, could you please reply to this email with “Interested” or “Not Interested”. Full details will be forwarded once the planning is completed. To register your interest Contact: Rod Moorcroft Mob: 0411 127 017 or Email rgmoorcroft@bigpond.com

Editor's Message

After some wet or uncertain months, it's nice to expect to finally plan for dry rides even if they are a bit warm. know February is a short month, but it feels like only last week we were enjoying ourselves in Grafton. It was good to see Gordon and others still flying the Club "flag" and doing the 2nd ride of the month.

I have noticed many club riders and others making a serious effort to travel outside of the mainland, Cindy and Duncan probably win the furthestest away award by being in Patagonia, but it is a sign of the times.

As a aside, I can tell you that about 1/3rd of my client base is away or will be away in the next 6 weeks, I am not sure this is revenge travel anymore, but rather Australians getting back to what they do well...travel.

With this in mind, I will also be away a couple of times in March and April gathering content for the Magazine and would appreciate any input from others to help cover for me.

As always stay safe and keep the shinny side up.

Ken

"The Quick Way Up" Sydney to Grafton

Our time in Sydney with our son for his birthday was amazing. Especially our birthday celebration at Steersons Restaurant.

We left Epping at 7:15 am on Friday 17th to avoid the morning school traffic on Beecroft Rd. After successfully navigating the Sydney traffic we continued on the M1 until a fuel stop at the Shell at Raymond Terrace which I would not recommend to anyone

(Happy to share details later if anyone is interested).

After that experience we rode another 30 kms to Karuah for a coffee stop. Surprisingly nice coffee at Black Swan Cafe and Takeaway which I would recommend. Although the M1 is considered somewhat boring to some it had some not so quick areas just south of Taree due to road works and we were amused by playing tag with a Pajero until we finally lost him near Port Macquarie. Adrian got to the point of waving every time we passed him which may or may not have created competition

("The red mist".)

Next stop was the service centre at Port Macquarie where we had lunch at Oliver's.

On to Coffs Harbour where we just had to check out the VTwin Bike shop.

The last stop was Grafton and Clarence River BnB.

Very glad to see Terri again and have drinks cheese and crackers with the BMW gang.
